

RACE FOR EDUCATION

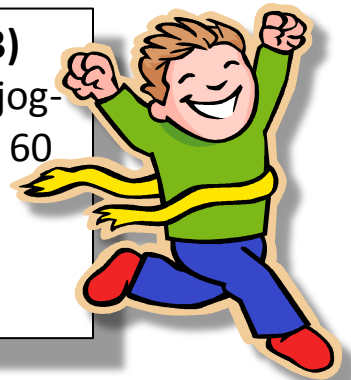

A fund raiser for Sangster sponsored by the PTA

Collect Donations:

- We encourage you to give or collect generously as all funds support Sangster children, teachers, and educational work!
- In late September, complete instructions & an envelope for donations will arrive in each student's Thursday folder.
- You decide how to raise funds as a family. You or your child collects donations from friends, relatives, and neighbors. If you prefer not to ask, you may provide cash or write a check from your family.
- Place cash and checks made out to Sangster PTA in the envelope. If donations are made through the PTA web site, just return the envelope.
- **Return all envelopes to Sangster by October 28, 2011.**
- All donations will be tallied for prizes

Race Day: October 28, 2011 (if rain: Nov 3)

It's a rollicking event! All students enjoy a jog-a-thon outside on our new school track for 60 minutes during the day! Teachers get the times in advance. As a rocking good time, parents can participate too!!

Incentives:

- Each class with 100% participation (returned envelope with donations) gets **a popsicle party!**
- Each \$100 collected gets a student's name entered in a drawing for a **new Kindle!**
- Each \$50 collected gets a student's name entered into a drawing for **lunch with Mr. Summers and Ms. Jankovich!**
- The class that raises the most money gets **an ice cream party!**

All funds go back to Sangster in the form of new technology, equipment, supplies, and more!
